

# Seven Fields Primary School-Newsletter

## Dear Parent/Carer

We are now at the end of our second week of the return back to school following the lockdown easing and the pupils have settled in to their new way of working. We are very proud of the way staff and pupils are able to continue to follow our hygiene procedures and follow the social distancing measures we have put in place. Thanks once again to parents for following the correct exits and entrances to the site and for not spending time outside the school gates and moving away quickly. This has given much more reassurance to our local residents and to the parents of other groups leaving/arriving with their children.

You may have heard that the government has stated that they have dropped their plans for a wider reopening of primary schools from 1st July. I welcome this change of heart, as simply it would have been impractical to have more year groups back. We await further guidance from the DFE but in the meantime we are planning to see what we can offer to other year groups in as safe a way as possible. We will let you know further details .
