Welcome to our new Attendance Newsletter  
where we will celebrate excellent attendance

Dear Parents/Carers,

This week we are sharing our first Attendance Newsletter with you. Since the pandemic Attendance has become a top priority for all schools and here at Seven Fields it continues to be very important to the work that we do.

‘Every day in school makes a difference to your child’s future.’

In December we held an Attendance Assembly and invited parents of children who had managed to achieve 100% attendance. I explained to the children that everyone had a fresh start for Term 3 to achieve 100% for Term 3 only (January to February). I think you can see in the photos the improvement we made in just one term! Below is the plan for Attendance Assemblies going forward.

Term 1 - Pupils and staff only

Term 2 - Parents to be invited for pupils who have attended school 100% for Term 2

Term 3 - Pupils and staff only

Term 4 - Parents to be invited for pupils who have attended school 100% for Term 4

Term 5 - Pupils and staff only

Term 6 - Parents to be invited for pupils who have attended school 100% for Term 4 and for the whole school year

I wanted to thank you all for engaging with this and of course asking questions. We are always happy to answer any queries and working together raises the profile of Attendance and its importance.

**Term 4 Challenge - Can you get 100% for this term ?**

Thank you all for your continued support.

Head Teacher

We expect every child to have attendance of 96% and above. When a child drops to below expected levels parents will be called in for a meeting on how to improve their child's attendance. In major cases a fixed penalty notice may be issued.

Every half term we will be holding attendance assemblies where we will celebrate children with 96% and above and especially our 100% children.

For every week your child is in school everyday they will be entered into a raffle that is drawn at the end of each term.

At the end of term we will hold attendance assemblies where parents of the children with 100% will be invited to join us.

## Attendance assembly

On 22nd February we held an attendance assembly in conjunction with term 3 (1st Jan—9th Feb). Children with 96% and above were awarded a certificate and children with 100% were also awarded with a certificate and picked a small prize from the prize box.
