

## English:

This term we are going to be looking at Narratives. Our main unit will be closely linked to our main topic as we will explore Invaders. Our recap unit will be looking at journals, which again, will be focused around our Invaders topic. Within Guided Reading, we will be exploring a new class text called, 'Roman Invasion' by Jim Eldridge. We will be exploring the techniques he uses to create his narrative and using these within our own creation.

## Maths:

In Maths this term we will be exploring place value and the four main operations. We will be using the skills learned within this unit to help give us a firm foundation for our Maths learning this year,

## Science:

This term our Science unit will be focused on electricity and the way that it is seen and used. We will be looking at creating circuits and looking at the role electricity plays in everyday life.

## Year 6

### Term 1 2021-2022

## Invaders!

### French:

Our focuses in French this term will be on greetings, family and French-speaking countries. We will also look to develop our conversational skills.

### Geography:

Our Geography focus this term is based around the UK. We will be looking at different counties, rivers and coasts of Great Britain.

### PSHE:

Our individual selves will be the focus in this term's PSHE. We will be exploring self-worth, self-recognition and self-esteem. We will also begin to explore the dangers of online grooming and how to stay safe.

### RE:

In RE we will be learning about Islam and the beliefs of the Muslim faith as well as how these compare with our own.

### Art and Design:

Within Art and Design, we are going to be exploring printing techniques. We are going to be looking at different brush techniques and how to use colours to create our final painting based around our favourite fruits.

### Music:

Within Music we will be looking at the song Happy and comparing it to other songs. We will also be learning to rhythm to practice and perform this song.

### PE:

This term we are focusing on improving our cognitive abilities within a game and sport context. We will be looking at different strategies and methods that we can apply to different situations.

### History:

In History we will be following the journey of Great Britain through the Roman and Viking invasions and looking at how these changed the way our country looks today.

### Computing:

In Computing we will be exploring the role of the search engine and how we use the internet to find information.
