

24th May 2023

Dear Parent and Carers

When the headship of Seven Fields school became vacant in February, we were fortunate to have Mrs Young ready to step into an interim headship role.

I am now able to share with you that we have appointed Mrs Young as the permanent Head Teacher for the school.

I know that Mrs Young is delighted to have this role and she is looking forward to continuing to lead the school into the future.

If you have any questions about this, please do contact me through the school office.

With kind regards

Simon Robins

Chair of Governors
