

Seven Fields Primary School-Newsletter

Dear Parent/Carer

In assembly this week, before the class nominations, I retell the story of Androcles and the lion. If you don't know the story then do look it up. The focus is on the value of appreciation, of giving thanks to others for what they've done. We have appreciated having Year 6 at our school and although we have not had a 'normal' end to the year today will be the day when we send them off. Thank you Year 6. Although we will be sad to see Year 6 leave we will be happy to see Year 5 come back in from next week. As future Year 6 pupils who have a tricky year ahead, I encourage you strongly to send back your child so they can get a head start with their class teachers from September.

Science week-home learning

This has been really successful this week. We have seen some fantastic work from the children inspired by our amazing Scientific experimenters Miss Mitchell and Miss Goss. What on earth will they do with their lab coats? Well done if you managed to engage with Science home learning this week. It was great to see so many bubbles in bubbles this week (Oh the irony!)

Attendance

You will not be surprised to know that school attendance will be a priority from September. Please make sure you prepare your child for full school attendance from the 3rd September. If you think you may struggle with this then please do get in touch with anyone on the pastoral team.

Finally, you will have noticed the government have sent out a lot of guidance for us to digest. I will be writing to all parents before the end of term to outline our approach to the guidance which comes into effect from September. In the meantime, have a great weekend everyone. D Booth

School Uniform

Currently children in school are not wearing school uniforms. We would like to inform you from September that the expectation will be for all children to wear school uniforms.

Please click on the link below which will take you to our school website and provide you with more information.

School Work Gallery

We have been working hard to get our website up to date with more relevant content. The work gallery for this week is therefore found in the link that you can get to by clicking on this picture. Do spend time looking closely at the work and see if you can spot your child. Only the work that has required the greatest effort gets nominated. Science week has been fantastic so click the picture link and have a look at the work that has been done. Follow this thread:

Year 2/3/4 Visits to School -Information for parents.

We are really keen to make sure the school finishes this academic year positively. We want to encourage contact with pupils before the summer break where we will be back to some form of normality albeit with some restrictions. This is totally voluntary so please do not send your child in if they do not wish to attend. The vast majority of the time will be spent outside so please dress your child appropriately for the weather. Have a look carefully at the tables below as the bubbles created are on a weekly basis. We are trying to give pupils an opportunity to say goodbye to their current cohort and teacher and say hello to their new cohort and teacher from September. Although it is a short time it is an opportunity to keep in touch with everyone.

Please note:

- When you arrive please stand on a spot in the car park and staff will come to collect the children. At this point we will take a register of who is attending for our safeguarding reasons.
- Please ensure your child is dressed appropriately for the weather.
- We will provide drinks during the visits.
- When you return to collect your child please stand on a spot and staff will bring children to the car park for collection.
- It is imperative that you arrive and leave on time and keep to these arrangements. Punctuality is really important and anyone late may not be able to join their bubble.

We ask that **YOU observe** all social distancing measures at all times.

Seven Fields Primary School

Nursery Key -Information

We want to encourage all of our children who attend Seven Fields to be Independent, Confident and Resilient. This process starts from the first time they experience our school. The Seven Fields “learning journey” begins with is one of nurture, discovery, awe and wonder.

From September we have sessions available for 2,3 and 4 year old children.

- We accept funded and non-funded applications.
- There is funding available for 2-year olds (depending on circumstances)
- ALL children are entitled to 15 hours Nursery funding from the term after their 3rd Birthday.
- 30 hour Nursery places are available for parents that receive 30 hour funding.
- There is an option for paid sessions at £15 per session.

Our Sessions run from 08.40-11.40 and 12.10-3.10

2 year old funding

The Government funds 15 hours of Nursery for 2+ year olds if you are in receipt of specified benefits – for more information please call 01793 726900 or refer to: <https://www.gov.uk/free-early-education>

3-4 year old funding

All 3 and 4-year-olds in England are entitled to 570 hours of free early education a year. This is often taken as 15 hours each week for 38 weeks of the year. We also offer 30 hours childcare per week for eligible working parents. Please refer to www.childcarechoices.gov.uk to find out if you are eligible.
