

Seven Fields Primary School-Newsletter

Dear Parent/Carer

A special guest appearance on the newsletter today! Myself and Miss Smith have had the pleasure of dropping into some classes today and experiencing a lovely buzz of learning at the end of another busy week!

Many of us love to watch the annual ritual of nature awakening after winter. The daffodils are appearing and at last the warmer weather seems to be on its way. Maybe this year we'll have more time to notice these milestones of nature and appreciate them more as Covid and the war in Ukraine make us realise that life is precious and to grasp it firmly. Spring is a time of great growth and here in school children's growth and development is going at warp speed. The energy and eagerness of the children to learn more always astounds us and it's such a privilege to see them grow and shine on a daily basis.

COVID - 19

As well as face to face assemblies we have also reintroduced eating in the hall together once more. On Tuesday the hall was busy with chatter and munching as the children enjoyed each other's company. Restrictions at break and lunch have also been relaxed as the children can now socialise and play with other year groups, much to their delight. However, we will continue to monitor and revise our Risk Assessments as needed, please do continue to follow the COVID -19 guidance.

Following on from our assemblies on Individual liberty, we looked at some exemplary pupils who demonstrated the 'Magnificent 7' during our celebrations this afternoon. The magnificent 7 are at the heart of the school and support the pupils on the journey to be **Independent, Confident** and **Resilient**. Keep talking to the children about how they are achieving them in school and at home.

You cannot have missed the awful events that are happening in Ukraine. Many of the children have been talking about it and some of them are worried. In school we have been talking to the children in their classes. We are stressing how, in war, there are victims on all sides and how we need to think of those suffering and in need and do what we can to help them. We are emphasising that we cannot blame groups of people for what is going on. We must remember to stand against hatred rather than particular groups of people.

We both wish you a fantastic and restful weekend!

Mrs Still and Miss Smith

Robins made a visit to the Kingfishers this week to read them their persuasive letters that they worked really hard on.

Kingfishers investigating how to strengthen a bridge during their science lesson.

Robins class were following instructions and practicing working as a team to build the tallest marshmallow tower.

Children have been demonstrating the magnificent 7.
Test your child to see if they can remember them all.

Thank you so much for the kind donations made so far for the Ukraine. We have extended this for another week.

If you wish to help please take your donation to the office. The following items can be donated:

Tea, Coffee, Sugar, Baby bottles, Baby milk, Sanitary towels, First aid items, Paracetamol, Ibuprofen, Tinned food, Packet food.

Thank you

Here we have a quote from Spencer in Year 5 regarding the new scheme on Leigh Road:

"I think that the new rules for parking and speed are a good thing because more children are safe leaving school and coming to school"

If you have any feedback to feel free to let us know your thoughts.

We are finding lots of children are not wearing correct uniform or PE kits. We would like to remind you that we do have a school uniform policy and would like to see all children in the correct clothing.

Thank you

Please can we remind you that children are not to be climbing on the wall or playing football on the plaza. This is for health and safety reasons.
