

# Seven Fields Primary School-Newsletter

Dear Parents/Carers

This week we have been celebrating 'Art week' and the work that the children have been producing is fantastic. In assembly the pupils were able to share some of the collaborative pieces they had recreated based on the work of David Hockney. It is apt then that our continued value to focus upon is co-operation. To be able to work alongside each other and make a contribution to a final product whether that be a meal, a party, festival or a school fete, the feeling of togetherness and success ensures that as a team we are more than our individual parts. At school we often make the sum of the whole greater than the sum of the parts, as that's when teams reach their full potential. Great teamwork requires contribution, collaboration, cooperation, communication and commitment. The secret is to work less as individuals and more as a team as teamwork divides the task and doubles the success.

This week the pupils have been working very hard in Art but we have not ignored our core subjects. KS1 pupils have been working on completing the curriculum as we were externally moderated. Phonics assessments have now almost been completed and Year 4 pupils have been practising their multiplications check. As I write this, Year 6 are taking part in Junior Good Citizen as part of our PSHE curriculum.

I am delighted to be able to announce that we have managed to recruit a teacher to our team from September. Mr Bagley will be joining the Key Stage 2 team. We are therefore close to finalising the staffing structure for next year and we will soon be able to hold transition meetings where pupils attend their new classes.

We have had two new pupils join us this week. The numbers on roll are continuing to increase thanks to our growing reputation as a school delivering high quality learning experiences. We welcome David to Hummingbird's class and Emmanuella to Eagles.

Finally, please can I remind you of the importance of sending your child in the correct school uniform and PE kit. I know we are in a very hot part of the year but some children are coming to school in clothes that are not suitable for a school environment. Our uniform policy is very clear.

For those of you that can, I hope you are able to celebrate Father's day this weekend.

Enjoy the sunshine but please stay protected.

D Booth
