Value: Rule of Law  
Mag 7: Shows kindness and  
good manners

## Seven Fields Primary School-Newsletter

Dear Parent/Carer

I have had the pleasure of dropping into some classes this week and experiencing a lovely buzz of learning! Many of us love to watch the annual ritual of nature awakening after winter. The daffodils are appearing and at last the warmer weather seems to be on its way. I know I have enjoyed the lighter mornings on my journey into work.

### Assembly

The current theme we are looking at is about the British value of the rule of law. We have been asking children to reflect on the 'Magnificent 7' that underpin all our approaches to Seven Fields, be it attitudes to work, or looking after each other and the school property. We have also asked class teachers to go over the classroom rules to refresh children's memories.

Today is St Patrick's day and in assembly I shared the story of the Giant's Causeway in Northern Ireland. Please click on the link below if you would like to listen to it at home. We learnt about the Irish flag, Irish food and music. The children enjoyed hearing about where I was born and grew up and finding it on the map.

### Science week

I would like to thank Mr Donnelly for organising our annual Science week. It was a great success with the children being nature detectives, making moon dials and inventing like the Victorians. The photos in the newsletter show some of the activities that took place this week.

Just looking at the diary for next week it certainly is going to be busy ! Our Year 4 children are going on a residential trip to Grittleton House for 3 days and we look forward to hearing about their adventures next week. We are looking forward to a performance of Alice in Wonderland and a mobile farm is coming on site, both will be experienced by the whole school !

Thank you for your support this week when we had to close a number of classes during the most recent teacher strikes.

Have a great weekend.

G Young

Hi Mrs Still here, I am the Early Years Leader at Seven Fields.

Hooray! We have finally experienced some signs of spring, not only with the slight change in the weather but all of the Early Years have been in a frenzy this week! Our annual chick hatching began on Monday with the arrival of 10 eggs for the children to look after. This is such a valuable experience for our youngest members of the school as they establish their foundational knowledge for understanding the world around them. The children have been able to observe the chicks hatching and learn about what environment they need to survive as well as give them lots of cuddles! Have a look at the cute pictures below!

## This week's certificate nominations are as follows:

<b>Fireflies</b>	Lillie-Rose for excellent name writing	Levi for great phonics
<b>Bumblebees</b>	Harper for writing super labels for our incubator	Indie for sharing ideas on the carpet

# Puffins enjoying Science week

This week we welcomed 9 baby chicks, Bumblebee class had cuddles with them

# Robins Science week

# Welcome to our page of celebration

Archie, Shyanne, Jack, Cory, Maria and Kaurasi all reached 30 house points this week and received their bronze badge

Well Done

Miya, Lily-Mae, Kaurasi and Charlie wrote wonderful book reviews that were added to our randomiser where they were selected to win a token to use in our book vending machine.

# INFORMATION

Half term is fast approaching:

Last Day 31st March at 1.15pm

Return 17th April

Please can we remind you that being late to school does reduce overall attendance and persistent lateness can result in being fined.

Reminder to hand in your Easter eggs for the colouring competition being held by the PTA

When contacting the school please use 01793 723833 and follows the instructions given.

Thank you

Non-uniform day  
Friday 24th March

Please bring a small chocolate donation

Thank you

If you have a different adult collecting your child/children they must now go to the classroom and not collect from the office. Today in assembly we had to interrupt on numerous occasions, this also occurs daily in classrooms.

Thank you for your cooperation

Happy  
Weekend!
