

# SCHOOL'S OUT FOR SUMMER

## Seven Fields Primary School-Newsletter

Dear Parents/Carers

Today marks the last day of the academic year and a chance to say goodbye and good luck to our wonderful Year 6's. Year 6 took part in their celebration this week performing their own version of 'I'm an 11 year old, get me out of here' ! They demonstrated great 'confidence', 'independence' and 'resilience' throughout the show and we were all very proud of them. They also enjoyed a trip to Legoland this week and had a fun evening at their leavers BBQ. They have been such a hardworking and very caring cohort and we have been blessed to have them as leaders of our school community. As always they appear very keen to leave us (this often happens after their transition visits to secondary school) but, when it comes to the last few days and they really do have to leave, many of them don't want to. We wish them all well and look forward to hearing about their adventures in the future.

Sadly we have to also say goodbye to Mrs Shipman. Mrs Shipman has been a member of the school's pastoral team for a number of years now. She has been a great addition to the team and has always had the children's best interest at heart supporting children and families. She leaves us today to go off on her new adventure working with secondary aged pupils. We wish her all the best and hope that she is able to stay in touch with the school going forward.

I would also like to take this opportunity to thank our PTA. This year they have organised and arranged events that will have raised so much money for the school. Thank you for all of your attendance at these events and for the way you have supported all the school events this year.

I hope you all have a wonderful summer holiday and I look forward to seeing you all on the 4th September.

Mrs Young
