

# Seven Fields Primary School-Newsletter

## Dear Parent/Carer

By now you will have received a letter from me outlining our arrangements for the reopening of our school to pupils in YN, YR, Y1 and Y6. Please do let me know if you have any questions about the letter and our proposed organisation and I will do all I can to make sure I answer any queries.

Today marks the last day of Term 5. You will notice how time seems to be flying by but this was always a short term. When I look back at all of the things we have done in the past during this term it leaves me slightly empty in the fact I have not seen pupils for so many weeks. Nevertheless our glass is always half full and it has been fantastic to see all of the wonderful work children have been completing each week.

I hope you share with me my thanks for all of our teaching and support staff who have been working long hours whether that be in school or at home throughout this time. Many have gone above and beyond delivering food parcels and craft boxes as well as laptops and work packs where needed most. They are truly great and I am lucky to be able to lead such a dedicated staff team. There will be no expectation for your child to return any work next week and we will be continuing provision for Y2,3,4 and 5 pupils as now from next term. Have a lovely break from work next week children and look after mum and dad. Mr Booth

## Opening or Not?

Given the ongoing media attention about the planned wider opening of schools from the week beginning 1st June I felt it important to provide you with some further clarification. Whilst we have shared our plans with you for opening for more pupils from 2nd June, we continue to review Government guidance and the national and local context.

As such, it is quite possible that we may need to change our plans, including possibly delaying wider opening at very short notice - for example on Friday 29th May following an expected announcement on 28th May, should the position not become clear before that point.

This is a very challenging situation for us all to be operating in and I am sorry that we cannot be more certain at this time. Thank you for your understanding.

I hope that is helpful, and I am sorry that we are existing with such uncertainty.

- Scafell Pike –2628**
- Snowdon – 1395

### Certificates

I always ask the teachers which work has impressed them the most this week. Look at this video link to get the names of those pupils who were nominated. <https://youtu.be/sn6x8qWN2JU>

Year Group	Time spent reading
Year 2	37 hours 16 minutes
Year 3	27 hours 19 minutes
Year 4	31 hours 12 minutes
Year 5	12 hours 35 minutes
Year 6	23 hours 12 minutes

### Times Tables Rockstar

Don't forget that you still need to log in to TTRS or NumBots on a regular basis. We noticed there was a drop in numbers logging in last week. Remember to keep up to speed with your Maths and Number work.

Here are the results for the last 3 weeks of our online reading scheme through myOn. Please encourage your child to logon and read.

### Hot Chocolate Winners

I have been missing the drinks we have had with my hot chocolate winners as well as the bad jokes I make the children tell. This week's winners were: Ava, Maria, Charlie C, Layla, Daisy, Tommy, Vita, Owen, Luca, Courtney, Alfie, Rebekah, Freya. Well done everyone . You all deserve an ice cream!

Rainbow Fish (Tiny) Fish Starfish Octopus

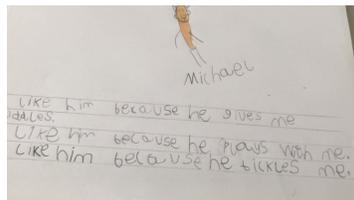

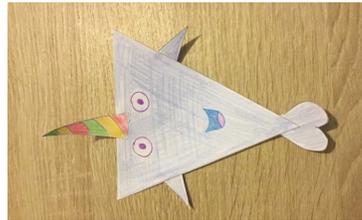

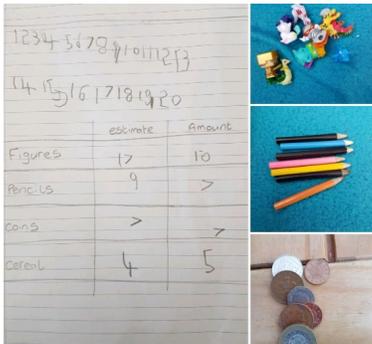

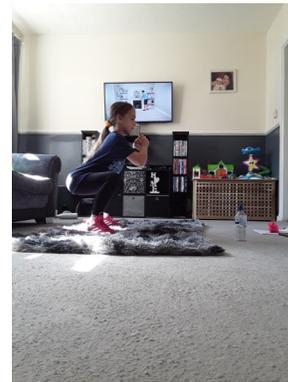

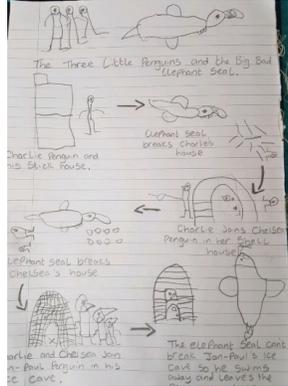

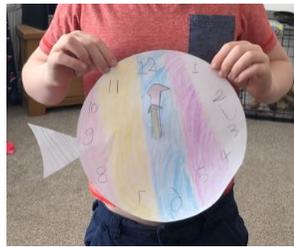

My Rainbow fish Story.  
 • In the deep blue sea lived Rainbow fish he was proud of his glittering scales. He didn't want to play with any of the other fish in the sea. One day the minuscule fish asked Rainbow fish for a shiny scale but he said no. All of the fish stopped talking to him.  
 • Rainbow fish felt heartbroken and lonely because none of the fish wanted to talk to him. Starfish saw Rainbow fish upset and asked him what was wrong. So Rainbow fish told him but Starfish said he couldn't help him. Starfish told Rainbow fish to go and see octopus. Rainbow fish went to a big Park. Rainbow fish found a big cave. The wise octopus said to Rainbow fish to give some of your scales to some of the other fish.  
 • The minuscule fish saw Rainbow fish again and asked for a scale and he said sure. Rainbow fish felt joy that he learnt sharing is a good thing and he gave everyone a shiny scale because it made him happy.

Rainbow fish saw tiny fish and asked 'fish said can I eat you?' 'Nope not your scales' asked tiny fish but Rainbow fish said 'no to tiny fish' 'I'm sorry' said all of his friends they all had a meal.

The Rainbow fish was bored and scared because he had no one to play with. He saw a star fish and he said 'go home stop you can't swim here.' The star fish was blabbering and the rainbow fish was in the sea. The star fish said 'I'm sorry' and the rainbow fish was in a deep sea.

The rainbow fish gave all of his scales to the star fish and made rainbow fish happy. He was excited because he shared with all of the fish and that made the star fish extremely happy.

Rainbow fish

Elmer

What is different?

\*Rainbow fish teaches us about sharing but Elmer's story teaches us how to be a hero.

What is similar?

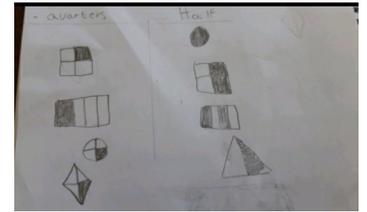

\*Elmer and the rainbow fish books are similar because they talk about colours and both Rainbow.

Miss Song

One day the Roman boy fish was swimming in the sea and he saw a rainbow fish. The rainbow fish was very happy and he told the Roman boy fish about his cave. The Roman boy fish was very happy and he told the rainbow fish about his cave. The rainbow fish was very happy and he told the Roman boy fish about his cave.

Rainbow fish was sad because he had no friends. He met a red starfish in the coral reef. He told the rainbow fish to see the octopus in the deep cave.
