

Seven Fields Primary School-Newsletter

Dear Parents/Carers

This week has been extremely busy as we welcomed 3 Ofsted inspectors into our school. Firstly thank you to parents who completed the Ofsted online survey and the pupil survey and to those who spoke to the inspectors. I wanted to take the opportunity to say how amazing all of the children were. They certainly demonstrated our value of courtesy which Mrs Muir covered in assembly this week. She spoke to the children about manners and how we can use good manners at home and school. Children have been holding doors, showing kindness in corridors and often reminding each other and adults about the importance of saying please and thank you. They were polite to inspectors and spoke enthusiastically about what life is like being a 'Seven Fields pupil.' They were a credit to you all! More updates will be available later in the year.

I hope everyone has a good weekend.

Mrs Young
