

Seven Fields Primary School-Newsletter

Dear Parents,

As we approach the final weeks of this academic year it's hard to believe how the weeks have whizzed by. I have been reminded over the last few weeks about what a wonderful school community we have here at Seven Fields. We have seen children supporting each other with learning and friendships and even offering each other words of advice. Through our community room/warm space parents continue to support each other remember the warm space is open every Wednesday and Friday morning.

Over the next four weeks there are many opportunities to come together as a group. Our gates will be open for the school fete on Saturday 8th July where the PTA are busy planning a great day for the whole community. Please do come along and support the school.

Year 6 parents will have the opportunity to come to our final assembly in the school year and all parents have already been invited to sports day. We will also be hosting more class assemblies in these last few weeks and look forward to welcoming families to hear what your children have been learning.

We hope the calendar dates included in this newsletter are helpful. Please don't hesitate to contact your child's class teacher if you have any questions about dates/events over the next few weeks.

The children have had another busy week being active for National sports week. Miss Roberts set the challenge for children to be active for 60 minutes a day! In assembly Miss Martin spoke about our value 'Cooperation' and also the importance of teamwork and how we can all work together as a team.

Our teachers are busy writing your child's end of year report. Annual reports will be coming home on the 11th July when we will also let you know who your child's teacher will be next year.

Strike

As you may be aware, the largest teachers union in the country (NEU) has called their members to strike on Wednesday 5th and Friday 7th July. Our school may well be affected by strike action and staff are under no obligation to let me know if they are striking or not. This means that it may well be likely that I will have to close some classes or the school entirely if I am unable to provide a safe and secure environment for your child. Please be aware then that we may have to shut the school at short notice (which may involve sending children home at the start of the day) and you should make back up or alternative child care arrangements for these days.

Thank you for your ongoing support and we look forward to welcoming you into school over the next few weeks.

I hope you have a lovely weekend and enjoy the sunshine !

Mrs Young
Head Teacher

Over the past couple of weeks, the children have been working on some art pieces focused around our local area. This was part of a wider RLT project which followed the theme of 'The colours I see'. This theme is based around the children choosing different mediums and colours to present their work and this has resulted in some excellent final pieces. The school chose 12 winners to represent the school from EYFS up to Year 6 at an art gallery exhibition in Oxford to showcase some of these great creations. The winners were Mo, Isiah, Daisy, Leighton, Madison, Mia, Oscar, Abdul, Maddison, Kacper, Isabelle and Kaurasi. Every child that was in school during the project will have their framed pictures on display in our Seven Fields art exhibition on Monday 26th June. This will be open in the school hall from 3:15. Please feel free to come and view all of the hard work that the students have put in. If you would be interested in purchasing your child's framed artwork for £3, please could you bring cash along to the sales table on Monday and we will be able to sort this for you.

Thank you

Mr Donnelly

Certificate nominations are as follows:

| | |
|---|--|
| Nico for following our routines and listening to adults Tyler for a fantastic week at Nursery | Oscar for amazing potty training this week with no accidents |
