Seven Fields Primary School-Newsletter

Dear Parent/Carer

I would like to take this opportunity to thank the Governing Body for entrusting me to lead our school in the interim period before a substantive Headteacher is appointed. I am honoured to take on this role in a place extremely close to my heart. A place that feels like home! I have loved every minute of my seven years at our school, as Assistant Head then Deputy Head Teacher and now the Acting Headteacher. I am extremely proud of what we have achieved as a team at Seven Fields and I remain determined to ensure that our school continues to successfully build upon the successes we have made. I can assure you that our school will continue to provide the best possible education, outcomes and experiences for your children. I am passionate about providing our pupils with the best education - all of them - regardless of any barriers they face! I believe strongly in our school's vision to create Independent, Confident and Resilient pupils.

My philosophy for education is simple: that children learn better when they are happy. As Acting Headteacher I will ensure that we put the best interests of every child at the heart of all our decisions, and that we will work tirelessly to ensure that every child is nurtured and challenged to achieve their true potential and pursue their dreams. I know that I can count on your support as we move forward. Sadly this week we say goodbye to Miss Jessop and I would like to take this opportunity to thank her for all her hard work during her time at Seven Fields. We wish her well in her new school.

During assembly this week we shared a new song which illustrates to the children to never give up and always keep going. Do click on the link below to listen at home.
