

Seven Fields Primary School-Newsletter

Dear Parent/Carer

We are fast approaching the final weeks of this academic year and as this week has whizzed by, it has made me reflect on the wonderful year we have had. I have no doubt that some things could've been done better but on the whole, we have been successful in so many aspects.

The culture of this school is important to me. Three years ago when I arrived, the community and the school felt divided, pupils were unhappy, parents were afraid to send their child to the school and standards were well below par. Since then, it is so lovely to see the new PTA develop and prepare for the first summer fete in three years on 2nd July. As a community the Pandemic has not divided us. As a school we have focussed on the journey of improvement and that journey never ceases. We can take stock that we are a different school than we were three years ago. It's lovely to see so many pupils encourage each other. Staff have been self-reflective and taken on board external guidance. By working together both school and the community can achieve powerful things. The SSEZ project is one that has enabled a much smoother start to the school day. Thank you for supporting this school and encouraging us to be better. We know that we are not yet the finished article and we need to ensure pupils meet the high standards we set for them. The journey continues, our desire to get better is ever present and because of the positive school culture, we continue to draw more pupils from around the local area.

Over the next four weeks there are more opportunities to come together as a group. Our gates will be open for the school fete where you will even get the opportunity to throw sponges at familiar faces. Please do come along and support the school. Year 6 parents will have the opportunity to come to our final assembly in the school year and all parents have already been invited to sports day.

Thank you for encouraging us. Thank you for encouraging your child to be the best they can be. Thank you for supporting our school.

Enjoy your weekend.

D Booth

This week's certificate nominations are as follows:

Butterflies AM and PM	Macey for amazing story telling	Maddison for being a fantastic role model for our younger children
	Stephanie for fantastic phonics and reading	Oakley for fantastic phonics and blending
