

Seven Fields Primary School-Newsletter

Dear Parents and Carers

Our children have been focussing on using their manners this week and I was so pleased to hear the children in breakfast club use their manners without asking. A person with good manners shows respects towards feelings and sentiments of others living in the surroundings. He/she never differentiates people and shows equal regard to everyone.

How are you getting on with Beat the Street? I have been less productive this week as my cold has prevented me from doing much running around Seven Fields' park where I know there are a lot of beat boxes available. Well done as we have over 17,000 points to date but as there has been a large number of players sign up (over 200) our average points is at 84 points so let's try to up that and get over 90 by next week. Hunt out those cards/fobs and get walking/jogging/skipping/cycling or even stumbling!!

Today's assembly involved Miss Jessop launching the mini marathon for next week. This is a fantastic opportunity for pupils to take part in their own marathon style event. They will get a bib number and complete the distance over three days with Friday being the fancy dress fun day.

This week we were visited by Mr Welsh and Mrs Harding from Goddard Park. Once again they were so impressed with the behaviour and positive attitudes to learning of our pupils. We also had a visit from the SEMH team who first came to the school two years ago. They were amazed that the children could remember the Magnificent 7 values and I was very proud of everyone they asked. Honestly your children are a real credit to you.

It was great that so many of our Year 5 and 6 parents went to Kingsdown's parents evening last night. They are the only partner secondary in the River Learning Trust and they have so much to offer our pupils. If you missed the opportunity to see the school in action and your child is coming up to secondary school age either Y5 or Y6 then do get in touch and they will be happy to take you on a visit and I will allow time off in the day.

Following on from the work that our parents have completed last year, the school was able to lobby the local councillors to be put forward for the School safe environment Zones programme this year. SSEZ puts in place a package of measures that aim to encourage change and improve safety outside and in the vicinity of schools. FAQ's available from this [link](#). For Seven Fields this means the possible introduction of School Street which will prevent obstructions on Leigh Road during drop off and pick up times. The details of the current proposals can be found from this [link](#) under the informal consultation sections of SBC's website. Here, you can support, object or comment on the proposals. The consultation finishes on 8th October.

Finally, thanks to those parents who came to the PTA meeting this morning. Please do try to attend the AGM which is scheduled for October the 8th at 9am.

Enjoy the weekend everyone

D Booth

This weeks behaviour cup winners is:

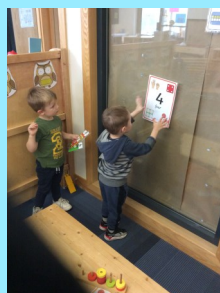

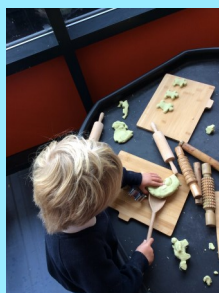

Corey for good listening and trying really hard with his learning.

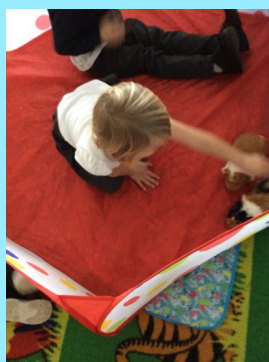

They are back! Hot chocolate Fridays have returned and we would like to say a huge well done to the following children for achieving the highest dojos in their class:
Alex, Vita, Muhannad, Clodhna, Angel-Mai, Adam, Isaac, Thomas, Olivia and Aaliyah.

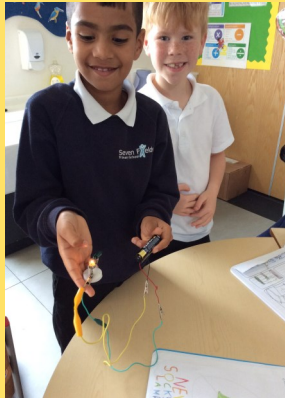

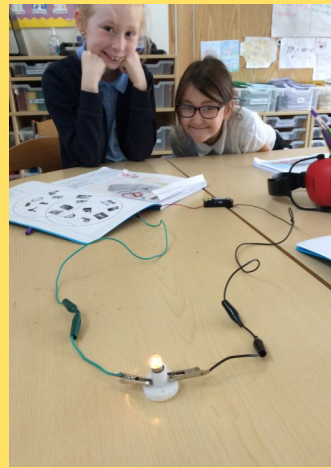

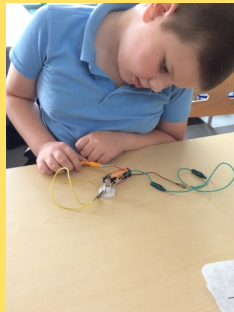

Butterflies class have been busy this week playing and exploring. They have also been singing lots of new songs and listening to wonderful stories during their Storytime, but most impressively they have had independent snack time.

Bumblebees met our class pets Jasmine and Daisy the guinea pigs. They enjoyed feeding them dandelions.

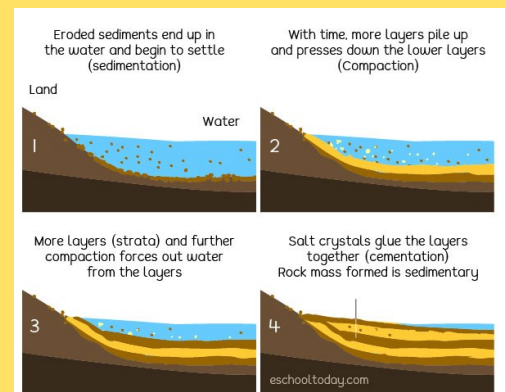

Kingfishers became super scientists during their science lesson this week and built electrical circuits with the end results lighting up small lightbulbs.

They created different shades of colours using different brush

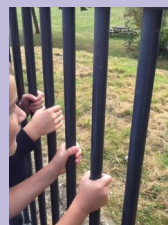

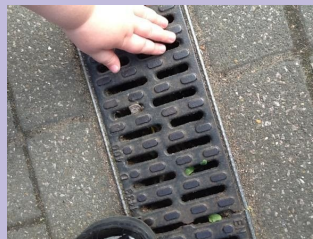

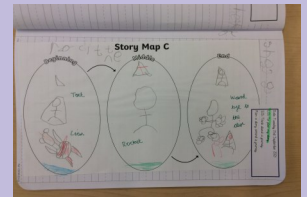

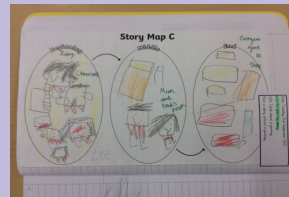

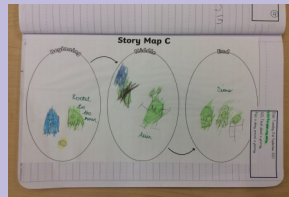

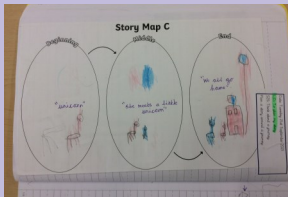

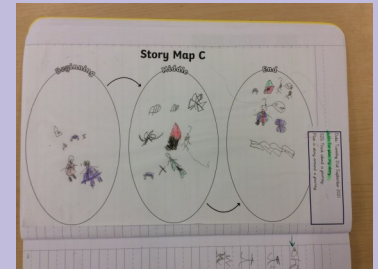

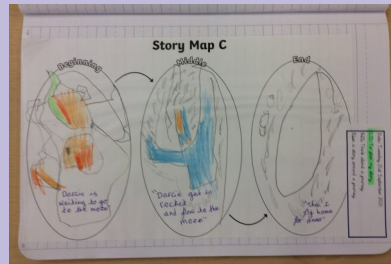

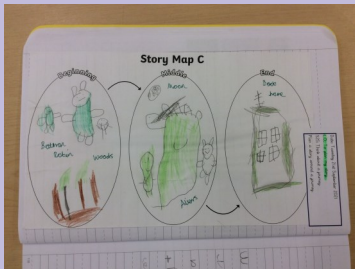

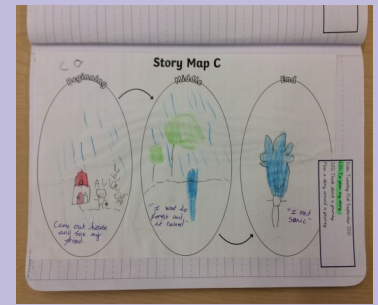

The children in Puffins class got stuck in during their Science lesson this week and used materials to recreate sedimentary rock.

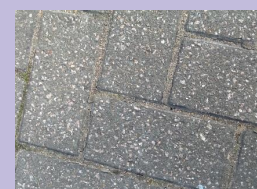

Robins have worked especially hard on creating lovely stories with a beginning, middle and end in their story plan along with wonderful illustrations too.

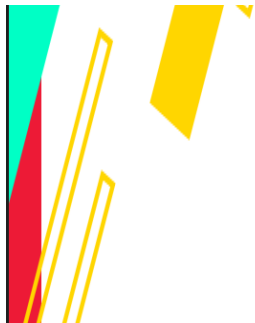

Today in Science Sparrows took part in a 'Materials walk' around the school.

After, Sparrows looked at these photos and identified the materials in each one and discussed the difference between the materials on each object.

I am very excited to announce that next week our school will be taking part in a Mini Marathon, inspired by the iconic London Marathon!

The challenge is to get every child in our school, walking or running 2.6 miles over 3 days. There will be a route that the children will follow around the school field and playgrounds to complete the 2.6 mile distance. The children will take part in the mini marathon on Tuesday 28th September, Wednesday 29th September and Friday 1st October (in school time).

Your child must come to school in their PE kits on Tuesday 28th and Wednesday 29th September. Please make sure they have good trainers as we will be running or walking on grass which may be wet!

As Friday 1st October is the finale of our Mini Marathon, children can come to school in any fancy dress that they like to do the final leg of the marathon. We would love to see children be as wacky as they like, but please bear in mind that they will be walking or running in these clothes (so choose wisely).

At the end of the mini marathon every child will receive a certificate, badge and a yummy treat at the end! We also hope that this event will encourage our pupils to have lots of fun being active, no matter what their ability or speed. We will also make sure we take lots of memorable photos of the children in action for you to see on our website and newsletter.

Surely 1 or 2 days absent a week doesn't seem much but this is how it is..

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years
