

Seven Fields Primary School-Newsletter

Dear Parents/Carers

I am writing this from home having tested positive for Covid-19 this week. It is the first time I have been ill from school in the last 3 years and I am missing Seven Fields terribly. Luckily it looks like I will be well enough to return on Monday and it was great to see pupils in assembly albeit virtually. I was also glad to keep in touch with Mrs Young earlier this week and she told me that I was not the only member of staff ill. We made the decision to redeploy staff from the nursery but were able to re-open fully from Wednesday. In such times of difficulty, teamwork is absolutely imperative. I am lucky then to be surrounded by professionals who are prepared to go the extra mile and cover each other during such challenging circumstances. Our resilience has been tested this week but I am delighted that the staff once again came together to ensure pupils were still able to receive high quality learning experiences. Thanks to all the staff for going above and beyond and stepping up into roles that were unfamiliar to them but with great confidence. I look forward to catching up with you all next week.

Message from our Deputy Heads:

Mrs Young and Mr Quinn just want to echo the thoughts of Mr Booth in thanking the staff for stepping up to the challenge and for showing that resilience Mr Booth talks about. It has been heart-warming to see the children respond to the changes this week and with changes to their usual routines. These changes can be difficult for children to deal with, but we have seen this week the displaying confidence and resilience. Well done everyone you've been awesome.

Have a lovely weekend.

D Booth, J Quinn and G Young
