

Seven Fields Primary School-Newsletter

Dear Parents and Carers,

I am delighted to be able to write my first letter as the new permanent Headteacher of Seven Fields School. I feel extremely honoured and privileged to have been chosen to continue to build upon the success the school has already achieved under the leadership of Mr Booth. Thank you for all your lovely messages.

It is hard to believe that my journey started in 2015 when I was appointed as Assistant Head Teacher of Seven Fields. It became clear to me what a special and amazing school Seven Fields is.

I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is achieved. We have a hugely committed team and wonderful children, which of course, is a great place for any new head to start! Mr Quinn will continue to support me as Deputy Head together with the unwavering support of the school team we are extremely excited about the journey ahead. The needs of the children are always paramount in the life and decision making within a school. I strongly believe in providing the children with exciting, creative and meaningful learning experiences, which build their enthusiasm for learning and help them to grow and develop positively in a variety of ways. I think it is crucial to involve the children and their families as partners in their education. I am also keen on building a whole school community which thrives on mutual respect and values positive relationships. I know how vital working in partnership with parents really is in order for children to find school a positive and rewarding experience. As key educators in your children's lives, I feel that it is important that you have a voice and that as a school we are approachable and allocate time to listen to your concerns, worries or thoughts about the school.

In the near future I will be inviting parents in for an informal coffee morning. This will be an opportunity to meet other parents, chat to me and other members of staff over a cup of coffee and a slice of cake. Watch this space! You can be assured that as Headteacher, I will strive to create the best education for your child/children whilst they are members of our school family.

Finally thank you for your ongoing support. I hope you all have an amazing half term break. We will see you all back at school on Monday 5th June.

Mrs Young
Head Teacher

If your child rides a scooter or bicycle to school and leaves them on site throughout the day we recommend that you lock them up to ensure they are safe. This is your responsibility and school cannot be held responsible for any thefts.

Also can parents/carers please remind children that if something does not belong to them they are not to touch, we have had some older children who think it is acceptable to ride scooters that are not their own and then hiding them causing upset. We can check the cameras and parents will be contacted if this continues.
