

Seven Fields Primary School-Newsletter

Dear Parents/Carers

Today marks the end of term 5 -a very busy term. It was so amazing to see all of the work the pupils had put into their presentations in assembly this week. We have been learning about the decades of the Queen's reign and the pride that the children have had in their work was fantastic to see. There are some fantastic photos of the day. We celebrated in assembly and this afternoon we managed to have our traditional tea in the park moment which was also another very British tradition.

More than the exciting partying, we honoured the queen's reign through ups and downs. For example, the Falklands war and the fire at Windsor Castle are all terrible moments which the Queen has managed to negotiate with grace and dignity. She has been reigning over 14 different prime ministers including Winston Churchill during the second world war. She is the only person in the UK to be able to legally drive without a licence. She is our longest serving monarch even beating Queen Victoria, her great grandmother. This weekend we celebrate the person not the institution and are grateful for the long service she has given to representing our country around the world so well. I hope you have a chance to celebrate this weekend.

The end of terms always seem to mark significant moments and the more beady eyed parents in KS1 will have noticed that Mrs Neville and Miss Bickle are both expecting. This means we have to secure some replacement teachers during maternity leave. We will be able to announce a replacement early next term but in the meantime, we wish them both well.

Do please remember that pupils return to school on Wednesday 8th June as the 7th June is an INSET day for teaching staff. Attached to this newsletter is an advert for on behalf of River Learning Trust for a new Trustee. Please do get in contact with Louise Askew if you are interested in this voluntary non-executive position.

Have a fantastic weekend and a wonderful half term break

WELL DONE

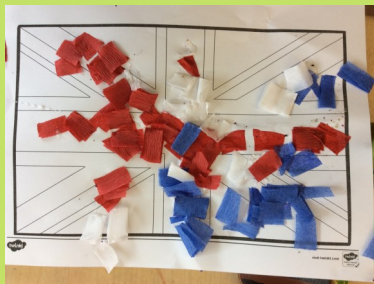

To celebrate The Queens Platinum Jubilee all children have been given this lovely badge to take home and keep to remember this special occasion.

Bumblebees, Sparrows and Puffins class holding the ducks and watching them swim

On Thursday we were joined by students from Kingsdown School who took us through the musical ages with some pieces they have been working on.

EYFS have been very busy this week preparing for the Jubilee celebrations.

Our Platinum Jubilee assembly saw each class give a presentations with wonderful information about The Queen and her 70 year reign. We had wonderful written pieces, art, singing and dancing. The children also sang the national anthem.

Appointment of a Trustee – River Learning Trust

We are a multi-academy trust responsible for 29 schools in Oxfordshire and Swindon and a school centred initial teacher training provider. We are looking for a new Trustee and inviting applications from anyone who would like to join the 11 other Board members in taking forward this successful enterprise.

We aim for excellence in all our schools, sharing expertise to improve education for all our students quickly and sustainably.

Trustees are responsible for the strategic oversight and direction of the Trust and all its schools and entities. They set the vision and policies for the Trust, ensure the quality of education, and manage the Trust's finances and property. They have legal obligations for the proper conduct of the business of the Trust, and accountability to the government.

Our Trustees meet as a full board five times a year and in committees once a term. Once or twice a year they also attend a meeting of the governing body of one of our schools, and we have an annual event for all our governors and Trustees.

The Trust Board needs members with a range of skills and experience. We are looking for someone with extensive experience of governance and developing strategy, and of chairing a governing board in an educational setting. Our current Chair will be stepping down in 2023 and it is hoped the new Trustee will then take on the role. Applications from members of ethnic minority communities are particularly welcome.

For further details please contact Louise Askew, Head of Governance and Compliance, by email at: laskew@riverlearningtrust.org, or telephone 07970 678962. Or go to our website and download an information pack at <https://riverlearningtrust.org/trustee-vacancy/>

The River Learning Trust is committed to safeguarding and promoting the welfare of all children and expects all staff, Trustees and Members to share this commitment. The successful candidate will be subject to an enhanced DBS check.

To apply please send a CV and covering letter setting out how your experience, knowledge and skills meet the requirements of the role to laskew@riverlearningtrust.org
