

Seven Fields Primary School-Newsletter

Dear Parents and Carers

Welcome to the summer term. It's so great to have everyone back this week so perhaps a bit strangely, I feel the bank holiday next Monday has come at a strange time. We have just got back from a break and once again we have an interruption. However, these may have been my thoughts at the beginning of the week but for many, the break will be welcome.

I was so proud of the school football team this week as the pupils took part in their first competitive match since Covid-19. We narrowly lost to our local rivals but the pupils' attitude was very positive. Thank you for coming out to support the team and well done to all who took part.

In assembly today, I spoke about the importance of bouncebackability. The fact that we all fall down sometimes is inevitable. That can of course be physical or emotional and if we practise our resilience we can make sure that we train our minds to not give up. This is why one of the magnificent 7 values is 'Never say I can't'. Our pupils have to develop resilience in order to overcome barriers they face. By getting back up when we fall down means we increase our confidence and determination. I told the story of Gerald the Giraffe who was struggling with the fact that he couldn't dance. However, with a bit of practice and a bit of resilience he was able to find his own rhythm in the end. "We all can dance when we find the music that we love" You can watch a video of the story [here](#).

Thank you to those Year 6 parents who attended our SATs briefing earlier this week. Y6 will be taking these exams from Monday 9th May so if you are a Y6 parent don't forget to make sure you get your child to practise their arithmetic fluency and reading comprehension skills over the bank holiday weekend. Over the next few weeks your children will need to show great resilience when being tested. Please encourage them to do their best and never give up!

Finally, Can I wish you all a lovely bank holiday weekend.

Hot chocolate Fridays have returned and we would like to say a huge well done to the following children for receiving the most dojos in their class this week:

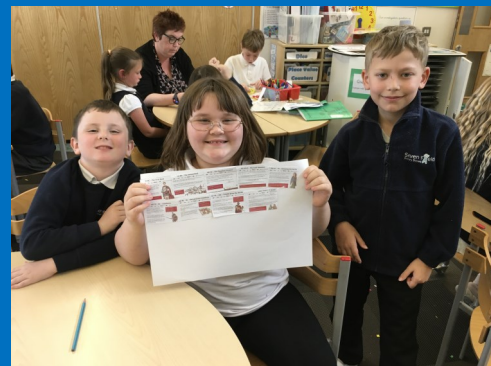

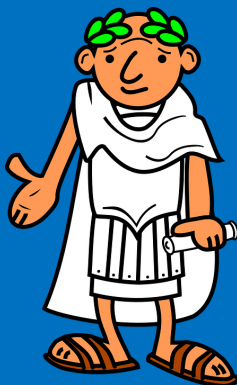

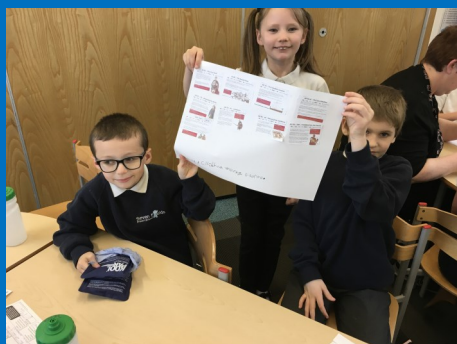

Alexie, Alex, Krystal-Rose, Dylan, Spencer, Harry, Samuel, Logan, Abdul, Lexi-May, Mazie and Isaac

Kingfisher class took part in a science sound walk identifying sound sources and what is vibrating to make the sound.

Puffin class with their Roman timelines

On Wednesday it was wonderful to see so many people supporting the children who took part in the friendly football match against Swindon Academy. The final score was 3-1 to Swindon Academy but the determination the boys showed throughout the match made for good viewing. They represented Seven Fields at a high standard and we are very proud of their performance.

Well done

During the Easter holidays we had our new play equipment installed. The children have been enjoying using this at playtimes.

We are learning about occupations!

We are very creative!

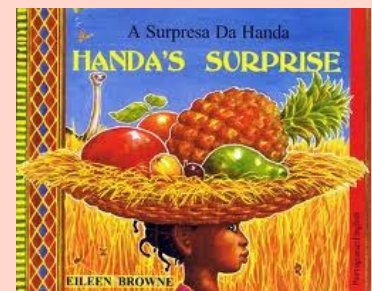

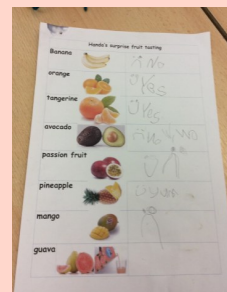

We have been exploring outside!

PICCOLLAGE

Bumblebees tasting guava juice, pineapple, mango, avocado and passionfruit just like in the story Handa's Surprise story

Resilience

Charlie and Harry have shown great resilience when participating in their activities out of school with amazing results. Charlie has worked incredibly hard and has received his blue belt in TaeKwonDo.

Harry has been dancing since he was 4 years old and competes in competitions across the country receiving numerous trophies and has championships to his name and in solo dance he has moved from beginner to intermediate level.

Keep up the great work

Do you have any achievements you would like to share with us on the newsletter? Please send any photos to Miss Iles on class dojo and small piece about what you have achieved.

Well done to Spencer for reaching 60 house points to receive his silver badge and Seth, Phoebe, Frankie, Tegan, Blayde, Cory, Jayden and Lexi-May for reaching 30 house points to receive their bronze badges.
