

Seven Fields Primary School-Newsletter

Dear Parents,

Today we held our Harvest assembly where I talked to the children about harvest and the children shared Harvest activities they had been doing in class. They shared Harvest poems and songs. It was a pleasure to see how their confidence is growing in sharing their learning and performing to the whole school. Thank you to everyone who donated food items for the Harvest collection. You really have been very generous and the foodbank will be grateful.

Please take note that it is parents' evenings next week. This will be your opportunity to meet your child's class teacher and discuss how well they have started their school year as well as finding out what support you can give them when they are at home. Appointments are available to be booked at: <https://sevenfields.schoolcloud.co.uk/>

Please contact your child's teacher if you are having any issues booking an appointment. Everyone is welcome to our Tea and Toast event next Tuesday morning at drop off. We will be happy to offer support to log in to the new online Reading log.

Have a good weekend everyone and enjoy the good weather that is forecast.

Mrs Young
