

Seven Fields Primary School-Newsletter

Dear Parents/Carers

Welcome back everyone to a new academic year ! What a warm and sunny week it has been! We have had a busy week settling your children to our school this week, which has been wonderful. We have enjoyed hearing stories about their time in the summer and we have seen their confidence grow over this week as they adjust to their new classrooms and teachers. In assembly this week I shared a video called 'Maybe' about how special and unique we all are. Our value for the first few weeks is 'Respect' and we are focussing on the Magnificent 7 of 'Believes in themselves'.

Online Reading Journal

This year we are introducing an online reading log to record children's reading. See the leaflet attached to the newsletter which explains you will receive an email or text to join. Any questions please talk to your child's class teacher.

We would really appreciate your help with reading this year so please do try to spend some time every night reading with your child and recording it in their online journal.

Upcoming date for your diary- Tuesday 19th September at 8.45am Tea and Toast drop in session for parents which will include information on the online reading journal. All are welcome.

I hope you all have a lovely weekend and enjoy the sunshine !

Mrs Young

Hello! My name is Miss Wilson and I am Seven Fields Inclusion Support Worker. My job will be to ensure that every child is receiving the support they need in order to achieve academically, socially and emotionally as they progress through our school. I will be here to not only support the children with any struggles they may face, but also you as parents with any worries or concerns you may have. This may mean that I am in regular contact with you in order to support your children in the best way possible! This will either be via Dojo or feel free to call me on 01793 311971.

This year at Seven Fields, we will be taking more of a look at different charities that support people in our local community and each half term we will be hosting an event to raise money for these causes. For this first half term, we will be raising some money for the Wiltshire Air Ambulance in recognition of the amazing work they do and have done for the local area. On the week of Monday 9th October, we will be having a sponsored readathon within school with more information coming out on Dojo closer to the time. It would be great to raise some money and awareness for good causes

Thank you for your support

Mr Donnelly

ROAD SAFETY

THINK

about where you should cross.

STOP

in a safe place at the side of the road.

USE YOUR EYES & EARS

to see and hear any approaching vehicles.

WAIT

until all the vehicles have passed.

LOOK AND LISTEN

again to make sure all is clear.

CROSS

the road. Keep looking and listening.

FIVE BODY SAFETY RULES

Every Child Should Know By Age

5

My Body is Mine!

I am the boss of my body! I don't have to be hugged, kissed, or touched by anyone if I'm not comfortable.

PRIVATE PARTS

Are the parts of our bodies covered by a bathing suit and are kept out of view. We don't look, touch, or play games with each other's private parts.

We use the proper names for our private parts. They're not weird or funny - everyone has them!

No one should be asking me to keep a secret - especially if it's about private parts.

My mom, teacher, babysitter...

My Body Safety Circle

I know five people I can talk to if I'm sad, scared, and especially if I need to talk about body safety! If someone breaks a body safety rule I need to tell until someone helps me. Even if I don't tell right away, I won't be in trouble - it's never too late to tell.

My big brother, auntie, coach...

STRANGER DANGER

NEVER

Never agree to meet a stranger. Do not go anywhere, or do anything, with someone that you are not comfortable with.

NEVER

Never take sweets or presents from someone you don't know.

NEVER

Never get into a car or vehicle belonging to someone that you do not know.

NEVER

Never give your personal details to a stranger.

ALWAYS

Tell your parents or a responsible adult, where you are going and who you are with.

ALWAYS

Arrange a time to be back - and stick to it!

ALWAYS

Look out for each other when you are playing with friends.

ALWAYS

Make sure you know the contact details of your parents, or a responsible adult, that you can contact in an emergency.
