## Seven Fields Primary School-Newsletter

Dear Parent/Carer

Welcome back to the final term of the academic year. It is hard to believe that we are approaching the end of another year!

The theme for the next couple of weeks around school is co-operation. In assembly this afternoon I spoke to the children about the importance of teamwork and shared the following clip. You can see it here.

I am proud of the work we have done in school this year and I look forward to celebrating with the whole school community at our school fete on the 8th July. This term we still have a lot of work to do. Children will need to complete their assessments be they in phonics, KS1 or even in Reception. We will need to complete our maths and reading progress data for the trust. We also have art week, sports days, music day, swimming in KS2 and class transition days and lots of activities that we would like to achieve prior to the end of the year. Look out for more details on these community events on our website and in the school newsletters over the coming weeks.

I wish everyone a peaceful weekend.  
Enjoy the sunshine.
