

## Seven Fields Primary School-Newsletter

Happy New Year and welcome back to the start of term 3. It was great to gather together as a staff alongside other schools in the River Learning Trust on 8th January. The focus was on *'Improving outcomes for pupils with SEND in RLT Primary Schools.'*

We will be working further on this area of our work in the coming months and the day provided opportunities to reflect on the good practice here at Seven Fields and also ways we can continue to improve.

This week we have been holding Pupil Progress meetings and discussing the progress of all children. If your child's class teacher talks to you about areas for development or what you can do to support your child, this is because we have a large amount of information that will help them achieve more. Whatever practise you can support us with at home would be extremely beneficial. This term is a relatively short one as after this week there are only 3 more left until we break for half term. I'm sure it will pass very quickly and as such we must ensure that we make the most of every moment, minute, hour and day in school to enable pupils to learn.

In assembly last week I highlighted the meanings behind New year resolutions. The idea that we choose to make a change to our behaviour or approach. We have agreed as a school that we are all going to 'work hard to improve the presentation of all our work.'

In September we introduced our new Reading app 'Learning with parents'. We have been delighted how well many families are now using the app to keep a record of their child's reading. In this newsletter we have attached a reminder of how you can log on to the app. PLEASE speak to your child's teacher if you are having problems ! Well done to FALCONS class who are close to 100% logging on to the app.

Have a wonderful weekend !

Mrs Young

## FUNDRAISING

We have a group of 8 staff members who are taking on the 3 peaks this year to raise money for school. Snowdon, Scafell Pike and Ben Nevis will be

graced with their presence over the next few months. They have been out training weekly to be prepared for the challenge ahead. We would like to wish them good luck.
