

Seven Fields Primary School-Newsletter

Dear Parents/Carers

Last week we received a quality assurance visit in Early Years from Swindon Borough Council. I am delighted to share the wonderful email I received following this visit and congratulate the Early Years team on the work that they do.

'I just wanted to email to highlight the incredible practice I was lucky enough to view last week during my visit to your nursery. It was clear from my visit that these practitioners are dedicated, passionate and an asset to the team. Having worked at Penhill Primary many years ago, it was heartening to see such a fantastic, inclusive start to your cohorts education journey. It was evident from my visit that your team genuinely want to provide the best for the children in their care.'

We also had a visit from our support partner at the River Learning Trust who visited all classrooms and he commented on 'all pupils being engaged in their learning' and also on the breadth and balance of our curriculum. This is supporting us to continue to improve following our recent OFSTED visit.

Yesterday Key Stage 1 and 2 visited St Peter's church to celebrate Christingle. The children have been learning about why we celebrate it. We were reminded that Christingle is a joyful celebration to share the light of Jesus and spread a message of hope. The children were very excited for the visit and shared their knowledge of Christingle with the Reverend. It was a very special moment when candles on the Christingle were lit and we paused as a school to reflect.

On Wednesday we were treated to a concert with our musicians who attend 'Rock Steady' in school. Well done to all who took part.

I look forward to welcoming you into school over the next few weeks for our Christmas events and I hope to see you all on Friday 15th December for a very special Christmas Fayre.

Have a wonderful weekend.

Mrs Young

Certificate nominations are as follows:

Olivia for being a superstar talker	Mia-Rose for good blending
Caleb for being a superstar
