

Seven Fields Primary School-Newsletter

Dear Parents/Carers,

Today is the 1st of March and lighter mornings remind me that spring is on the way and Spring is a time of great growth. The energy and eagerness of the children to learn more always astounds us and it's such a privilege to see them grow and shine on a daily basis. In a few weeks the clocks will change.

It has certainly been a busy few weeks. Year 3 have completed their intensive swimming lessons and were exceptionally well behaved during their lessons. Well done Year 3 for being excellent Seven Fields role models. Year 4 have been engaging in Rugby lessons with a visiting coach. Our Mini Police group have continued with their work and spent time with the Fire Brigade this week. We had a Phonics review last week with a pleasing report. I want to thank Miss Mitchell and her team for the continued hard work in teaching Phonics and early reading. We are very pleased with the progress the children continue to make and thank you for your support with Reading at home.

Attendance

We are looking forward to our big termly Attendance assembly at the end of this term. Just a reminder we are challenging ourselves to achieve 96% and above for the term and even better if we can achieve 100% !

Finally I can't quite believe that it was a year ago I wrote to you as I took over the important job of leading our very special school. It reminded me that 'children learn better when they are happy.' As Headteacher I continue to work with my team to ensure that we put the best interests of every child at the heart of all our decisions, and that we will work tirelessly to ensure that every child is nurtured and challenged to achieve their true potential and pursue their dreams. I know that I can count on your support as we continue to move forward.

Have a wonderful weekend everyone.

Mrs Young
