

Seven Fields Primary School-Newsletter

Dear Parents/Carers,

It is hard to believe that as I am writing to you we are already coming to the end of Term 3 and halfway through this academic year!

George Fouche visit

On Tuesday 30th January we were lucky enough to be visited by George Fouche. George was born in King Williams town, South Africa. He is the third generation of international professional rugby players whose career spanned 14 years. In 1999 he left South Africa for the UK but soon into his stay a horrific neck break (which would have brought most peoples playing careers to an end) led to a renewed motivation to make a comeback and he enjoyed a very lucky 7 years in the English Premiership and the Heineken Cup. He shared his story as an example that dreams can always be fulfilled, everyone possesses the ten key characteristics to being successful and resilience can be learned. We are looking forward to George returning to work with us further in the coming months.

Parent Governor Vacancy

We currently have a vacancy for 2 parent governors. The role of governors in a school is very important and I am really keen that we have representation from parents. If this is something you might be interested in please message me as I would be really happy to have a chat about what the role entails.

Attendance assembly for Term 3

We are looking forward to holding our second attendance assemblies on Thursday 22nd February. They will be held in the morning and we will invite you to attend if your child has 100% for Term 3. You will receive a DOJO message.

Class Assemblies - a big well done to Hummingbirds and Puffins for holding their class assemblies this term. I want to thank you parents/carers. Your attendance at these assemblies has been amazing and for that THANK YOU!

Finally school finishes today for half term. I hope you all have a lovely week and we look forward to welcoming children back on Monday 19th February for the beginning of Term 4.

We were very lucky to have George Fouche join us for the day where he spoke to the children about being the best version of yourself. He also gave them a little insight into his life and how he acquired the mindset he has now. The children got to spend time with him taking part in workshops. Please click the link above to find out more about George and his amazing story.

The children were lucky to get some time with George during his workshop sessions that he ran during the day

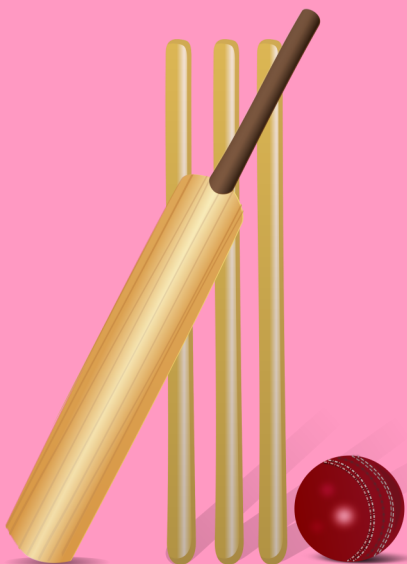

Falcons are seen here taking part in an online author event

Puffins have been busy making canopic jars. What are Canopic jars you may ask. Canopic jars were containers used by the ancient Egyptians during the mummification process to preserve the viscera of their owner for the afterlife

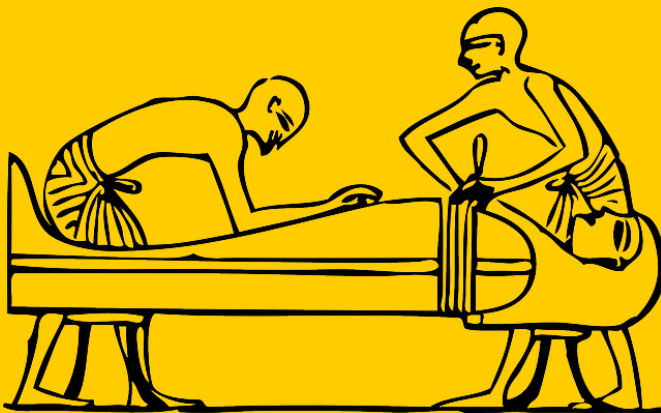

Year 2 visited Croft sports centre to take part in a cricket festival where they learnt lots of new skills

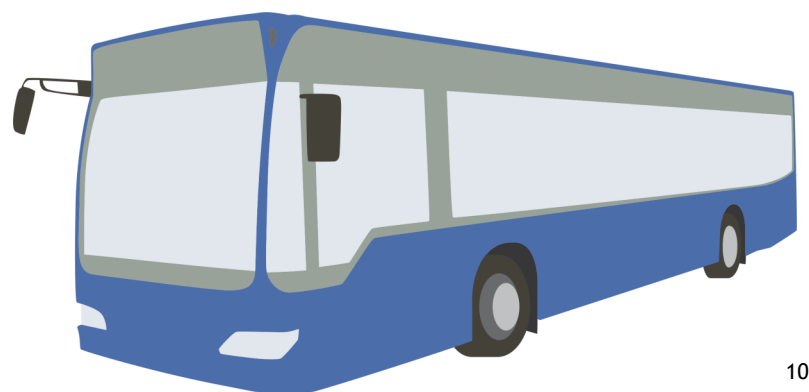

During their History lesson,
kingfishers have been making scarab
