

Homework!

Given: Friday 6th May
Due in: Thursday 12th May

Please can you also do daily reading and record it into your reading journals so we can check them

<p>Times tables. We will have a weekly test, so you need to learn these at home. I will be asking questions like: 3×12 and also some division questions such as 72 divided by 6</p>	<p>$3x$, $6x$ and $9x$ and the corresponding division facts.</p> <p>Learn them out of order e.g. 12×9 36 divided by 6</p> <p>Ask an adult to test you at home so that you can increase your speed.</p>
<p>English</p>	<p>In class this week we have been reviewing persuasive features within the context of a protest song. The children created lyrics about protesting against climate change.</p> <p>Task- Create a poster about what climate change is and how it affects us. Include what can be done to help our environment.</p> <p>Remember: Present your work neatly using joined handwriting.</p>
