

Key Content (New Learning)

To identify my successes and achievements.

To know what perseverance is.

To understand how to work cooperatively.

To identify some of my strengths as a learner.

Unit Overview

Key Vocabulary

Lesson 1 We will discuss successes and achievements of the class. We will discuss the feelings associated with this.

Lesson 2 In groups, you will accept a chosen challenge from Jigsaw Jo.
What makes a challenge realistic?
How can a challenge be broken into achievable steps?
What should you do when things get hard?

Lesson 3 In groups, you will create a “dream bird” for our class garden.
What makes group work successful?
How do you work together to ensure everyone has a turn and has fun?

Lesson 4 We will reflect on how our groups worked and the challenges and successes of this task.

Lesson 5 We will add our “dream birds” to a class garden display and answer some questions to assess our learning and understanding from this unit.

Dream or goal – Something you want to achieve.
Persevere – Not giving up, trying again.
