

### Key Content (New Learning)

To identify different members of my family and other family types.

To know safe forms on contact.

To recognise people who can help me in my school community.

### Unit Overview

### Key Vocabulary

- Lesson 1** We will look at members in our families and the different types of family we have in the class.
- Lesson 2** What kind of touches do we like?  
What kind of touches do we dislike?  
We will learn the importance of saying if we don't like something.
- Lesson 3** How can we fix a broken friendship?
- Lesson 4** What makes a good secret? What makes a worry secret?  
You should always tell a worry secret to a trusted adult.
- Lesson 5** We will look at the different ways trust can be built and broken.
- End Point** We will create positive and negative bunting covering all areas of our learning this term.  
We will complete a quiz to show our learning.
