the Roman period
To listen

La période des Anglo-Saxons

the Anglo-Saxon period

La période des Vikings

the Viking period

Un silex

a flint

Une hache

an axe

Une épée

a sword

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- CH sound in **flèche**
- OU sound in **bijoux**
- ON sound in **bronze, Anglo-Saxons, maison & ronde**
- OI sound in **histoire**
- **Liaison.** The final letter 's' of **suis** which would normally be silent is pronounced like a letter 'z' as the word **suis** is followed by a word beginning with a vowel (here a 'u' in **un** or **une**). This is called liaison.
- **Guttural 'R'.** Becoming more familiar with the French 'r' sound as seen in **ronde & bronze**. Made from the back of the mouth, not the front.

Remember that when we are talking about ourselves we use the pronoun 'I' and in French we would say 'Je.'

Je suis une femme de l'âge de pierre = I am a woman from the stone age.

j'ai une épée = I have a sword.

Je parle français
