

21st October 2020

Dear Parent/Carers,

Following a meeting with Local Councillor for Penhill Mr Oladapo Ibitoye, Local Councillor and member of the cabinet for transport Mrs Maureen Penny and 2 parent representatives we would like to advise you of the following decision.

From Tuesday 3rd November. The first set of double gates after you pass The Meadow will be monitored by a member of staff and will remain shut to all parents other than those who can show their blue badge or their Seven Fields Parking Pass. The second set of double green gates will be open as an exit for parents and children on foot when they leave the school, you will not be able to drive up to this set of gates as we will be blocking the road as we have been doing recently to keep pedestrians safe.

The small pedestrian gate will continue to be the entrance to the school when on foot.

We would ask that you please use the car park at the end of Leigh Road should you need to drive or walk to school with your child.

Yours sincerely,

Mr. D. Booth
Headteacher
